

The Mint of the United States,

AT

Philadelphia, *Aug 26*, 1886.

Sir:

I have the honor to report that I have delivered to the Counter Two Thousand Four Hundred (2,400) dollars, nominal, of the One Cent Bronze coins received from Asst. Treasurer U.S. at Baltimore, and that the sum of Thirteen Hundred (1,300) Dollars, nominal, has been returned to me cleaned and ready for reissue.

The work of counting and cleaning will proceed more rapidly as the men who handle the coin become more

expert. At present we are unable to deliver to exceed Eight Hundred (800) Dollars at one time to the sawyer and dryer.

As the One cent Frogs occupies much space in our limited vault room I have thought it well to have that removed and cleaned first. It can be much better stored in small bags.

Respectfully

Hon. Geo. W. Fox,
Superintendent
